# FOUNDER

Johnathan rejoices today for his new life in Christ. For many years he lived a drug addicted lifestyle. He began using drugs at 13, which led him to drop out of High School in 9th grade. He ended up in juvenile detention center at 15. He's been shot at 3x and chased with knives. At 19, God radically saved him, for His work.

Founder and CEO Dr. Johnathan Kraus, is a Rutgers University graduate. From there, he went on to earn his Master of Divinity and Doctor of Ministry at Trinity Seminary. He also earned his Ph.D in Counseling from Northwestern Seminary.

He was a former college professor and elementary teacher in the USA, before leaving all in obedience to answering the call to India in 2009. He first served at an orphanage in Kedgaon, Maharashtra with 250 orphans, studied Marathi and Hindi language, and went to surrounding villages sharing the Gospel of Jesus Christ.

Then, God called him to work with the children of the slums and streets of Mumbai. Through much prayer and wise counsel, God led our founder in the direction to start Love Never Fails Int'l in 2010. The ministry vision is to rescue and raise orphans in a family with love, serve the children in the slums through outreach centers, and impact the nation of India through the Gospel of Jesus Christ.

In April 2013, Johnathan married an Indian woman, Shiny. They met at the orphanage Johnathan first served at. She had no easy beginning growing up in an orphanage. But with God's grace Shiny completed her bachelor degree in nursing and was working full-time as an ER Nurse in Mumbai. After marriage, Shiny left her job to join the ministry work. Today Love Never Fails Int'l Ministry is serving to raise orphans in a loving home environment, reaching the children of the slums through outreach centers, church planting, and impacting the nation of India with the Gospel of Jesus Christ through the prayers and support of our generous partners.

**Orphan  
Care**

Love Never Fails Int'l supports an orphanage located in Nagpur, India. It has children from various orphaned backgrounds. Some were street beggars, trash pickers, orphaned from losing their parents to HIV. These children have suffered greatly in their young lives.

But today, they all have one thing in common; that is they are a smiley bunch. Grateful for what the Lord has done for them. They regularly memorize Bible Words, lead in prayer, and partake in worship. Come visit and help us change the lives of these children.

# Volunteer Testimonials

“ Given the opportunity to go to India with Lover Never Fails International mission team was a prayer answered.

From the moment I stepped foot in Mumbai, it felt so surreal to me.

The moment we reached the orphanage in Nagpur, the smiles of the children's faces and the love that was reflected on us was just unexplainable. It was such a Godly pure love. I was told by Johnathan I would experience a love like I have never experienced, and it was there in India I received it.

The greatest part of visiting India was spending time with the children at the home, it wasn't an orphanage, it was a home. The love they poured out on me was everything I have ever wanted to experience and more. It has made such a large impact in my life that words are unable to describe. Since I've been home, I often look at the pictures and watch the videos of my memories in India because a day doesn't go by that I want to hug them and love on them more. India will forever have a place in my heart. ”

“ The 2017 Mission trip to India was above and beyond what I imagined or hoped for. It was such a special experience. Johnathan did a superb job of preparing us as individuals and as a team for the task at hand. I so appreciated Johnathan's constant reminder to press in with prayer, the Word, and worship almost from the minute I signed up for the trip. (He knew of the challenges to come!) I can't express enough what a wonderful leader he was, both practically and spiritually. He is a humble yet mighty man of God.

I was awestruck to witness where the kids at the orphanage had come from and to see how far they have come! It was inspirational to see firsthand, what is possible when Jesus steps into dire circumstances. The home (orphanage) is a place that is filled with hope, love and freedom! I have utmost respect for the orphanage staff and all they are doing for the children.

I absolutely loved getting to minister in a remote village where they have yet to receive the gospel message of Jesus. We had the opportunity to be Ambassador's for Christ releasing love and healing. It is an experience I will never forget. I have grown a lot as a result of this trip. ”

Riya never met her father. Her mother works in the red light district. If we were not able to help Riya, there is a 90% chance she would become sex trafficked. We are blessed to have Riya and raise her in a protected environment. She is very happy today. She attends English School.

# Hear What Our Sponsors Are Saying

“ Everyone meet my sponsored child "daughter" Payal from India! One of the highlights of my trip to India with Love Never Fails Int'l was meeting Payal face to face and spending time with the children at the orphanage. I had sponsored Payal a year prior to coming to India. To finally meet her and to love on her in person brought such joy to my heart. Leaving was hard, but knowing that she is being loved on and all her needs are being met both physically and spiritually gives me peace. If you are interested in sponsoring a child please do so. You will be blessed! ”

“ I've been so blessed to be able to sponsor two kids through Love Never Fails International. The team has done a great job at helping the kids to keep in contact with me through pictures, letters, and even videos! I have been unable to visit them as of yet but this summer I managed to get my family involved as my Mom went on a mission trip to the orphanage coordinated by Love Never Fails Int'l. I think all parties were blessed at this intersection of God's goodness. Riya and Aman are a constant source of hope and joy for me and are helping me to build my own faith even as I help them. They are reminder of God's faithfulness in all things and I know that one day they are going to be amazing kingdom-builders. ”

“ It has been an absolute blessing to sponsor Amruta through Love Never Fails Int'l. Amruta is so grateful for the sponsorship and support. She loves me, just like Christ loves anyone of us, without question and without knowing me. Her love and appreciation is overwhelming. I look forward to the day I get to meet her in person and tell her how much she has blessed my life. ”
