Empowering Children To Overcome Poverty

We all faced many challenges in 2020. It didn't look good when churches shut their doors and LNFI's growing child sponsorship program came to a screeching halt. We wanted these children born into poverty to come to our schools to get the help they needed with your support. But they could not gather. My heartfelt concern regarding how we would sustain this incredible work was soon resolved by God's magnificent plan. I like to call it, "The Great Pivot."

“Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ.” Philippians 1:6

God led us to focus our time and attention on the COVID-19 emergency food relief. Our generous donors fed and impacted over 30,000 children and people with emergency food and hygiene relief. Over 30 tons of supplies were given out! We received donations from people nationwide who discovered LNFI online and wanted to help. Many donors shared with me that they were moved to tears by the photos of those they were able to help. It was more than food, it was hope.

Now, LNFI was not only helping all the children in our programs, but we were supporting whole communities. The pandemic might have closed the doors to the church, but not the hearts of its people. They were open, and they flooded India's poorest communities with compassion, hope, and a love that never fails.

For the 10th consecutive year, LNFI grew in annual donations because you stood up for what you believed in. These children did not choose to be born poor into poverty, but you chose to help them because God's compassion and love is in you.

As we step into 2021, we have a **safe house under construction for 70 girls** that need our urgent help. We're building a school. We have started **2 new children centers**: Calcutta and Orissa. We have taken on **12 new staff**, bringing us to more than 60 staff members. I like to say we're in the miracle business, because everyday we're seeing miracles happen by God! So glad you are part of Love Never Fails International as we each have our part to play to help these children get help.

I challenge you to get more involved with the work of LNFI by sponsoring another child or increasing your monthly support so we can accomplish even greater things in 2021 as co-laborers of Christ. **With all my heart, thank you for being there to give the children of India hope in Jesus' name.**

2020

MANTHALI

Eight-year-old Mantjali lives in a tiny hut with her mother in a small village in India. Her father abandoned her family when she was just a baby, and her mother had no support as they struggled to survive. Mantjali was unable to attend school because she needed to stay home and pick cotton.

Mantjali's little fingers, which were blistered all over from picking cotton, pained her.

A Love Never Fails International Center was started in Mantjali's village, providing her with food and teaching her about Jesus.

Although grateful for the support, Mantjali's mother still did not let her go to school. But when the child next door began attending the LNFI Center, Mantjali's mom noticed an undeniable change. Finally, Mantjali received permission to attend. Mantjali no longer works. Today, she attends an LNFI English School and learns about Jesus at the LNFI Center, thanks to her sponsor.

RUKHMANI

Nestled in a dilapidated slum in India, where the stench of open sewage repels any newcomer, lives a sweet 9-year-old girl named Rukhmani. For Rukhmani's family, "living" isn't their priority. What's important is surviving another day. They try providing at least a handful of food for Rukhmani, but sleeping on an empty stomach has become the norm.

Her mother was diagnosed with tuberculosis (TB) and is barely clinging to life. Her father is an alcoholic who provides no contribution to the family. Rukhmani left school two years ago but dreams of returning.

She aspires to be a doctor and save patients like her mom, but that hope slipped further away each day she remains out of school.

Love Never Fails heard about Rukhmani and visited her home, explaining to her mother they want to help Rukhmani experience the best. Today, she regularly comes to the center for an education, a hot healthy meal, and to learn about God, all thanks to her sponsor

DOUG

from Virginia

"I get such a kick out of 'spoiling' these two beautiful young India girls with gifts through the ministry of Love Never Fails International. As their sponsor, I have the privilege of helping them achieve a greater and more hopeful future by the grace of God. Sure, anybody can throw money at 'helping the poor,' but to be able to pray for them, write and receive letters, and exchange pictures is worth it. As a sponsor, I have the easy part."

“As their sponsor, I have the privilege of helping them achieve a greater and more hopeful future by the grace of God.”

KRISTY

from New Jersey

"I was having one of those frustrating days where nothing goes right. I was on the verge of crying and I walked to my mailbox and see this: a pic of my sponsored child Esha with a big smile with her brand new refrigerator I just bought her for Christmas! My sad tears turned to happy ones as I looked at these pictures! Thank you Love Never Fails International for allowing me to be a part of this work!"

SAFE HOUSE FOR

70 GIRLS

ANNUAL REPORT 2020

DREAMS COMING TRUE

We are excited to announce the construction of a safe house for 70 girls in India! India is the leading country in the world for girls who are sex-trafficked, child labored, and deprived of an education.

Construction is set for completion in December 2021. This project will allow many children to experience the unconditional love of Jesus. These girls can start a new life. They will have the best education in a safe and Godly environment.

ESTIMATED COMPLETION DATE

ANNUAL REPORT 2020

COVID-19 EMERGENCY RELIEF

With your support, children who would have starved in India were fed. Pictured left is one of many children who live on the roadside in a community made of tarps. You fed him during this crisis and brought hope for Raj.

Children and their parents received the food and hygiene essentials you graciously sent. This showed parents that LNFI was there during their greatest time of need. The donations for emergency relief flowed in like nothing we've ever seen, and the food relief went out all over India!

Your emergency food relief provided hope and happiness. Your spirit of generosity spread love across all of India, touching their hearts, bellies, and souls with Christ's love.

PROGRAM IMPACT

A child at the LNFI Center in Calcutta is enjoying a healthy meal of chicken curry, rice, and potatoes to nourish her little body and mind, **thanks to your charitable donations.**

A child at our “new” Orissa center gets her child sponsorship picture. Her humble home stands in the background. **With LNFI and God’s help, poverty doesn’t stand a chance.**

Komel, an LNFI teacher, can achieve amazing work thanks to LNFI staff in India who are committed to serving children in poverty. These teachers are thankful to you for supporting their profession. **Your support employs over 60 staff in India.**
