## A Word From Our Executive Director

The miraculous way that the people of Love Never Fails International come together to answer deep needs of children most vulnerable and in poverty remind that **this is God's ministry.**

As I reflect on how far God has brought us at Love Never Fails in the past 13 years, I am overwhelmed with thankfulness. When I get to meet and talk with the people who support this ministry, it reminds me I'm not alone. When I'm in India with the children and see firsthand how we are changing their lives it convicts me to keep fighting for these children. We are their only hope to break out of poverty because of the education, healthy food, and Jesus is in the center of all we do.

Our solutions are comprehensive, ensuring access to life-changing education,

and vital healthcare; creating hope through Christian discipleship, child protection, and emergency response efforts. And since poverty is not just physical but also spiritual, rooted in broken relationships with God, self, and others, Love Never Fails International bears witness in all we do to the good news of the restoration in God's kingdom.

I believe God is inviting LNFI and all of us to a deeper commitment and expand our services to vulnerable children around the world. He is equipping us for the tremendous work ahead.

**This is His ministry. And this is our time.**

God bless you!

Love Never Fails

# WHO LOVE NEVER FAILS IS

Love Never Fails is a Christian ministry that helps children in poverty thrive and come to know Jesus.

Love Never Fails was started in 2009, when an American Teacher, Dr. Johnathan Kraus saw the horrors of abandoned children living in the slums and streets of Mumbai, while watching the movie Slumdog Millionaire. After watching this movie his heart was torn for the children in India who felt like no one wanted them and they were worthless. Johnathan established an organization where these children in the streets, slums and orphans could receive the life changing resources they desperately needed. The children were provided with education, healthy food, and health care, and the Word of God. This program continues to be the basic model for Love Neve Fails' child development program.

**MISSION** – Love Never Fails is on a mission to help children in poverty thrive and come to know Jesus. Love Never Fails has impacted over 200,000 children since 2009.

**CORE STRATEGY** – To set children free from poverty, provide an English education, healthy food, and an environment where they can thrive. In India, if a child gets an English education they will go from poverty to the middle class

**CORE VALUES** – Love Never Fails perseveres to be a Christ Centered environment serving our supporters. Our core values are:

**TEAMWORK** We will work together to keep each other accountable, growing, and focused on the vision God has given us to reach children in poverty with the Gospel of Jesus.

**INTEGRITY** We are consistently working together to reflect the character of Jesus in all settings and circumstances.

**STEWARDSHIP** All resources given to Love Never Fails are held accountable and protected with great care and transparency to maximize both short-term and long-term impact

# WHAT LOVE NEVER FAILS DOES

Love Never Fails helps develop children to reach their full God given potential. This development provides opportunities to encourage the healthy development of all aspects of a child – physically, socially, emotionally, and spiritually.

We begin assisting a child in poverty, in some cases when the child is still in the womb, and we continue all through his or her young adulthood. This requires a long-term dedication and perseverance. Love Never Fails has provided help to over 200,000 children living around the world. For the last 13 years we have seen many children come out of poverty with the help of our services. They are a living testimony to the restoring power of the Kingdom of God.

AS A RESPECTED INTERNATIONAL DEVELOPMENT ORGANIZATION, LOVE NEVER FAILS WORKS WITH LOCAL CHURCHES TO CHAMPION THE MISSION TO HELP CHILDREN. LOVE NEVER FAILS ADDRESSES ISSUES RELATED TO FOOD SECURITY, GOOD HEALTH, QUALITY EDUCATION, AND GENDER EQUALITY.

Love Never Fails provides these unconditional and loving interventions to a diverse group of children living in poverty regardless of their gender, race, ethnicity, culture, or religion.

# WAYS TO PARTNER

**INDIVIDUAL SUPPORTERS** — More than 2,000 individuals took the opportunity in 2022 to help children in poverty thrive and come to know Jesus, either by giving where most needed, donations to mission-critical priorities, or a combination of the two.

**LOVE NEVER FAILS CHILD AMBASADORS** — Monthly donations make our work possible. We count on monthly gifts to fill in any funding gaps that may arise or account for potential changes in continuing to keep the doors open at our centers where children's lives are being changed each day. Monthly support enables us to fund our local teams with confidence and make the best long-term investments in poverty communities. Join as a monthly supporter and help us to go farther, faster in 2023.

**CHURCH ENGAGEMENT** — Love Never Fails supports mutually beneficial relationships with churches in the USA. Our role is to help churches connect their congregants to the developing world, present an opportunity to follow Christ's example of compassion and empower congregants to impact children — at home and around the world.

**LOVE NEVER FAILS VOLUNTEERS** — More than 50 individuals volunteered with us this year. They all gave of their time and talents to make a difference for children in poverty.

# WHERE LOVE NEVER FAILS WORKS

LNFI has worked in India since it first opened it's doors. Now LNFI is excited that after years of prayer we are able to expand to Italy.

OUT OF OBEDIENCE TO GO INTO ALL THE WORLD, WE WERE LED BY THE LORD TO EXPAND OUR VISION TO A NEW CONTINENT: EUROPE.

With a country of less than 1% of evangelical Christians and poverty for children on the rise we will officially start our ministry work in Italy in 2023.

After years of faithfully carrying out the command to "Go and make disciples," we have the tremendous privilege to carry it out in another part of the world!

# OUR JOURNEY CONTINUES

From the beginning, it's been our mission to end the poverty crisis in our lifetime.

When we set out on this journey 13 years ago, children who lived in poverty were hopeless. Today, thanks to the team of supporters, incredible community of generous donors, thousands of children have been reached with life changing help from LNFI. We are inspired by our supporters around the world who have sacrificed, advocated, and rallied for children in poverty to have opportunities that will change their life. We are humbled by the courage and resilience of the people we serve. We are grateful for the lessons we've learned over the years that make us stronger today. And we are more determined than ever to see the day when everyone, everywhere, has access to a quality education and the Gospel of Jesus.
